

At Home Beekeeping Webinar

Distance Learning for Beekeepers

We're offering beekeepers the chance to attend virtual meetings from the comfort of one's own home using a computer or mobile device. Speakers include university researchers and extension specialists from across the SE US as well as USDA ARS researchers. Each event will bring participants up to date on timely beekeeping topics with time for Q & A included.

All are welcome!! Join us for this free event!!

- November 19: Breeding for *Varroa* resistant honey bees, with *F. Rinkevich (USDA-ARS)*
- December- No session
- January 28: Coming out of winter, with *D. Tarpy (NCSU)*
- February 25: Honey bee nutrition, with *P. Basu (MSU)*
- March 25: Colony losses in the USA, with *G. Williams (AU)*

Last Tuesday of the month

6:30 – 7:30 pm
Central Time
